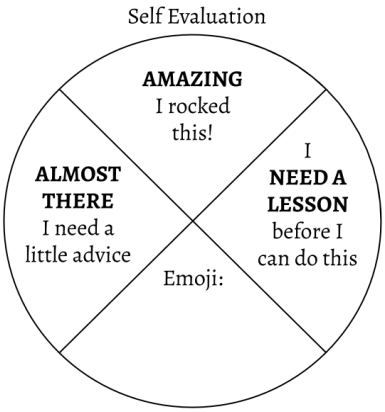
Self Evaluation



Name: _____

Date: _____

It's time to check your progress and tell Mrs. Dudley how you're feeling! In the first section you will let her know about your participation in class. Read the directions carefully to know how to rate yourself and provide specific evidence to support your rating. In the second section (on the back of this page) you can list any lessons you need regarding assignments you missed or want to redo. Check your Powerschool account for details on your scores and write down any questions you have for Mrs. Dudley on the back of this page. I look forward to reading your self evaluation!

Section One:
Complete the self evaluation below by adding a letter in the "rating" box next to each professional characteristic. Use the following scale: A, L, and N to rate yourself. **A** = Amazing, **L** = Almost there, and **N** = Need a lesson. Add specific evidence to the second column to justify your rating.

Rating	Professionalism Self Assessment	Justification with Evidence
	I was actively engaged in lessons	
	I cooperated with my team during group work	
	I restored the environment, leaving it better than when I came	
	I met expectations and demonstrated core values	
	I used professional language as a sign of respect and dignity	

Section Two:
As of today my current grade in Ag Ed is (include letter grade and percentage): _____

Check one of the boxes below and then sign your name.

☐ 1. I will improve my grade by turning in all missing work before the end of the quarter. I understand that I can revise and resubmit work that I did not score 100% on.

OR

☐ 2. I do not plan to improve my grade in Ag Ed at this time. I am happy with my current grade.

If you checked the first box, complete this table by writing down the lessons you need to complete assignments you are missing or plan to revise and resubmit. First write down the assignment title as it is listed in Powerschool. Then put a check in either the "missing" or "redo" box so Mrs. Dudley knows what type of lessons you need. Use this as a checklist and check the "complete" box when you have submitted your work. If you checked box number 2 you do not need to write anything in this table.

Assignment Title	Missing	Redo	Complete

Finally you can use this space to write down any notes for Mrs. Dudley. You can ask questions about the class, give suggestions on what types of activities you want to do or just share a funny story!
