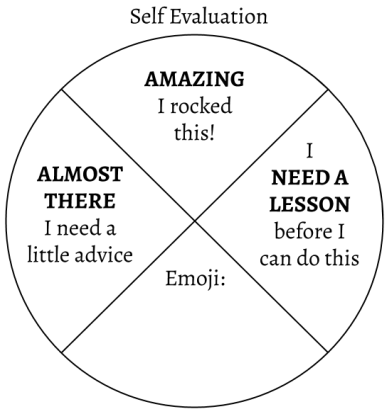
Agriculture Education

Cycle 3/6 Theme: Meaning & Purpose

AFSS Checklist 11.18-11.29

Name: _____



This checklist contains all of the lessons and work that we will tackle for the next two weeks. Check the box when you have finished each task or lesson. At the end of the checklist; complete your self evaluation on the back of this page, take it home and discuss your progress with your guardian followed by them signing it and adding any comments or questions they have. It's going to be a great two weeks!

Monday, November 18, 2019 (complete two) 1. Food Science CDE prep: (choose one) ❏ Math calculations ❏ Food safety & quality scenarios 2. ☐ Guest speaker: Gwen Roth (Hamilton County Soil & Water Conservation District-Caring for our Watersheds competition proposal) 3. ☐ November self-evaluation	**Monday, November 25, 2019 (complete two)** 1. ☐ FFA: Committee meeting & action plans 2. ☐ Grateful grams 3. ☐ Mini-lesson: final project introduction

Complete the self evaluation on the back of this page and then take it home to discuss your hard work with your family. Turn in your signed checklist on the Monday following the end of the checklist for extra credit points.

Complete the self evaluation below by adding a letter in the "rating" box next to each professional characteristic. Use the following scale: A, L, and N to rate yourself. **A** = Amazing, **L** = Almost there, and **N** = Need a lesson. Add specific evidence to the second column to justify your rating.

Rating	Professionalism Self Assessment	Justification with Evidence
	I was actively engaged in lessons	
	I cooperated with my team during group work	
	I restored the environment, leaving it better than when I came	
	I met expectations and demonstrated core values	
	I used professional language as a sign of respect and dignity	

I want to celebrate my hard work on…(highlight one of the tasks on the front sheet to describe it in more detail):

_____

_____

I would like to improve upon my knowledge of…(what do you want to investigate further?):

_____
