Rubric for Leaving the Classroom

Leaving the classroom is an important part of agriculture education. Evaluate your ability to leave the classroom using the following rubric. Highlight the boxes that you feel describe your actions. Take time to reflect and answer the questions at the bottom of the page before checking in your rubric with Mrs. Dudley.

Task	I'm **AMAZING** at this	I'm **ALMOST** there…I'll self correct and try again	I **NEED A REMINDER**…I'll ask for a lesson and try again
Lining up	I lined up on the wall with all of my needed materials and waiting silently	I lined up but was missing materials or was noisy	I needed to be reminded to line up with my materials
Walking in the Hallway	I walked silently on the right side of the hallway and did not disturb any other classes	I walked down the hallway but made noise and/or disturbed other classes	I needed to be reminded to be quiet and not disturb other classes while in the hallway
Meeting Outside	I walked directly to our meeting place and waited for directions	I waited by the door for the teacher before I went to the meeting place	I needed to be reminded where to meet outside
Walking back to School	I walked quietly back to the school with any materials I took outside	I walked back to school but made loud noises and/or left my materials	I needed to be reminded to be quiet and bring back my materials
Returning to Class	I came into class and sat down at my assigned table to wait for directions	I came into class but didn't sit at my table	I needed to be reminded to be quiet and not distract others
