

## School Leadership Course Learner Agreement 2018

*In order to be worthy of serving as a Montessori leader, I understand that I am entering an agreement to transform myself and my community. This includes seeking increasing understanding of myself as a leader and an interdependent human being in relationship to others, to this fragile planet, and to the Universe.*

*I understand the following expectations, and hereby promise to:*

- Self-reflect honestly and sincerely.
- Complete all of my assignments thoroughly and on time.
- Participate earnestly in all course activities.
- Avoid technology distractions during course sessions.
- Be fully present for all course sessions. Regular break sessions will be provided to attend to any urgent matters that may arise during the course, which I will use in order to avoid missing any course content.
- Ensure that all necessary payments to CMStep are made on time.
- See my profession as a vocation, and as such, strive to be the best leader I can.
- Do what is necessary to nurture myself, so that I might continually renew my relationship to my profession and create the possibility that the integrity of my work might be an inspiration to others.
- Practice Grace and Courtesy.
- Respect my instructors and mentors and take their directives seriously by implementing their recommendations.
- Create a support system for myself to manage my work with grace and joy.
- Be an open-minded, supportive, and collaborative to my colleagues both in and outside of this course.
- Never disparage other training programs or methods of teaching.
- Attend workshops, seek supervision, read, study, and continually deepen my understanding of Cosmic Education so that my role as a Montessori leader expands and matures over time.

In addition to all of the above promises, my signature below indicates my understanding that the \$500 deposit for the Leadership Course is non-refundable, and that the included five hours of personalized leadership coaching are to be utilized by appointment between July and December 2018. I understand that additional hours of coaching may be purchased at the discretion of CMStep School Leadership faculty.
