AFSS Checklist 9.9-9.20

Self Evaluation

Name: _____

This checklist contains all of the lessons and work that we will tackle for the next two weeks. Check the box when you have finished the work. Attend lessons for the work before you begin. Read the directions for each shelf work, seminar, project and laboratory task to see if Mrs. Dudley also needs to check your work. At the end of the week; complete your self evaluation on the front and back of this page, take it home and discuss your progress with your guardian followed by them signing it and adding any comments or questions they have. It's going to be a great two weeks!
