

## Trimester 1

### Outside Opportunity

#### Cook's Bison Ranch

The first Friday of the school year students will travel together to Cook's Bison Ranch. The purpose of this experience is to see how a professional tour is run and to apply that knowledge to our own farm tours that we give to the elementary, primary, and toddler students. On the tour we will take a wagon ride to the bison pasture and feed the bison. Along the way Doug McNamara will share about the history of the bison, what the difference is in the name bison versus buffalo, and about the animals in general including their care. The owners will then join us after the tour to share about the history of their business, give us a taste test of bison jerky, and answer questions.

We will return to school and debrief as a large group to find out what good, needed improvement was, and what we could apply towards our farm tours.
