Triángulos!

EL PRETÉRITO

Instructions:

To prep, cut out the puzzle on the following page. Cut along the lines to create a pile of triangles for your students to arrange back into the large rectangle.

Students should be instructed to solve the puzzle by aligning the subject and infinitive with the corresponding conjugation (or, the vocab word with the Spanish translation).

I usually make 1 puzzle per pair of students. It can be done in larger groups as well, but I have found small groups lead to more student engagement. I hope your students enjoy the puzzle!
