

# Similarities and Differences

You will take a few minutes to answer the questions below about yourself, then you will interview at least ten of your classmates, asking each person each question. If the person's answer is the same as yours, write their name under same. If the person's answer is different, write the name under different and what the difference is. Some answers may be partly the same and partly different. Make up at least two of your own questions at the bottom.
