

“An education capable of saving humanity is no small undertaking: it involves the spiritual development of the human, the enhancement of her value as an individual, and the preparation of young people to understand the times in which they live.”

# La práctica de liderazgo

Every two weeks, we will have a new leadership challenge.

The skill will be introduced and posted on the wall with example actions of the skill and “lingo” one might use to demonstrate the skill.

What are leadership skills?

## Ejemplo: Trabajo en equipo **Teamwork**

ACTIONS	LINGO
1.1 works with others and shares responsibilities	<ul style="list-style-type: none"><li>• “I’ll do this with you.”</li><li>• “Let’s work on this together.”</li></ul>

## Reconocimiento **Acknowledgement**

As the days go by, notice your fellow classmates who are demonstrating actions of a leader, using the descriptions that are posted on the wall. Notice a skill?

Sometime that bell, on a piece of paper, write their name and a brief description of what they did or said that stood out to you. Place the paper in your bell’s envelope.
