

Directions: Assess yourself daily in the top boxes of each category using the rubric descriptions.  
Your teacher will respond to points in the lower boxes of each category.

Category - Points	3	2	1	Daily points		
<b>Dynamic Exploratory Learning Space</b>	<u>Always</u> met the needs of the classroom (always/almost always)	<u>Somewhat</u> met the needs of the classroom 2/3 of the time)	<u>Rarely</u> met the needs of the classroom (less than half of the time)	M	T W	T F
<b>Attendance/ Punctuality</b>  -Respect -Community	I was on time and ready to begin in class and after all breaks. I was "present" for all activities; I self-adjusted if not.	I was late (missed some instruction or activity) no more than one occasion. Some distraction(s) affected my ability to be fully present.	I was late on more than one occasion. I was absent of mind or body, missing activity or instruction.	—	—	—
<b>Demonstrates respect of self</b>  -Respect -Learning -Hard Work	I entered the room quietly. I quickly prepared for class. I had all necessary materials prepared and used them for learning. All of my assignments were completed and turned in on time.	I somewhat entered the room quietly. I may have chatted with a friend on the way to my seat. I may have been redirected. I turned in my assignment, but it was late.	I did not enter the room quietly. I may have roamed the classroom. I did not have necessary materials prepared for class. I haven't turned in my assignments due, yet. I may have been redirected a lot.	—	—	—
<b>Shows respectful behavior</b>  -Respect -Community -Peace	I helped my group. I took care of the learning space and materials. I restored my space before leaving the classroom. I was in dress code.	I left some trash around my seat. I didn't return the material I was using as it was found. I somewhat restored my space before leaving the classroom.	I may have made an inappropriate comment, or treated someone or something unfairly in class. I may have made a mess and did not clean it up. I may have left without restoring my space	—	—	—
<b>Puts forth best effort and uses time wisely and effectively</b>  -Learning -Hardwork -Respect	I was productive by staying on task throughout the class. I used technology appropriately. I appropriately showed when I understood or when I was confused.	I was somewhat productive staying on task throughout the class. I used technology appropriately sometimes. I may have been talking to a friend sometimes.	I did not stay on task throughout the class. I may have used technology inappropriately. I inconsistently showed when I understood or when I was confused.	—	—	—
<b>Takes risks in language learning</b>  -Learning -Hardwork	I spoke in Spanish in class and asked questions to seek a greater understanding of the language and culture.	I somewhat spoke in Spanish in class and sometimes asked questions to seek a greater understanding of the language and culture.	I did not speak Spanish in class and may have not asked questions to seek a greater understanding of the language and culture.	—	—	—

Total points: \_\_\_\_\_

Draw a star to highlight your "win" for the week.

Draw a circle around a challenge/roadblock for the week.

Dynamic space: Characterized by constant activity, change, and progress, positive in attitude and full of energy and new ideas.  
Exploratory learning: Through exploration of themselves and the content, students will acquire knowledge and skills through experience, lessons, and study.
