

## Purposeful Collaboration Rubric

Criteria	Collaboration Station	Sharing is Caring	All by myself (don't wanna be...)
<b>Connection</b>	<input type="checkbox"/> I felt like the work I was doing was meaningful. <input type="checkbox"/> I looked for opportunities to help the group beyond my defined task.	<input type="checkbox"/> I understood my task and how it related to the group's goal. <input type="checkbox"/> I completed my part of the work.	<input type="checkbox"/> I didn't feel like my group was on the same page. <input type="checkbox"/> I didn't complete my responsibilities.
<b>Communication</b>	<input type="checkbox"/> I felt safe sharing with my group. <input type="checkbox"/> I was an active and responsive listener. <input type="checkbox"/> My group created a communication plan that was mindful of the task, anticipated obstacles, and accommodated all members.	<input type="checkbox"/> I talked while working in my group. <input type="checkbox"/> I listened to others when they talked. <input type="checkbox"/> My group had a communication plan that included times and contact info.	<input type="checkbox"/> I didn't feel like I could tell the truth. <input type="checkbox"/> I didn't feel like anyone was listening to me when I spoke. <input type="checkbox"/> My group didn't have a communication plan.
<b>Community</b>	<input type="checkbox"/> My group was working towards the same goal. <input type="checkbox"/> I feel like we created something better by working together. <input type="checkbox"/> Working with my group pushed me to be a better version of myself.	<input type="checkbox"/> I liked working with my group. <input type="checkbox"/> I felt satisfied with the work my group created. <input type="checkbox"/> I would work with my group again.	<input type="checkbox"/> I didn't feel like I was part of a community. <input type="checkbox"/> I don't think my group did our best work. <input type="checkbox"/> I would have been more successful working by myself.

### Reflection

Choose one of the criteria and explain your evaluation.

Acknowledge another group member by celebrating a positive character trait and giving evidence.

What is something your group could do next time to be even better?
