Practicum Site & Administrator Agreement 2022

SECONDARY PRACTICUM SITE REQUIREMENTS:

- The program includes:

 - No fewer than 8 students in a start-up class
 - It is strongly recommended that a school have no more than 15 students assigned to one teacher in a start-up class, no more than 50 students on a team of two core teachers (language arts/social studies and math/science), and no more than 90 on a team of four core teachers.
 - An environment conducive to implementing all best practices of Montessori secondary. See AMS recommended materials list:
<https://amshq.org/-/media/Files/AMSHQ/Educators/Montessori-Schools/Starting-A-School/Secondary-Materials-List.ashx?la=en>
- It is strongly recommended that at least 75% of student-body has Montessori background.
- To ensure the success of a new Montessori secondary program, it is strongly recommended that administrators share plans with CMStep to establish long range planning and support for the program and for teacher training

- The school has documentation related to:
 - AMS School Membership (if applicable)
 - The school's non-discrimination policy for students and staff
 - Evidence of meeting all applicable licensing
 - Policies and standards relative to the teacher/adult learner, including job description and formal contract

- Work with teachers and administrators in my school with guidance from the CMStep staff to implement a school culture that is guided by the Montessori philosophy
- Support the teachers on my staff to complete all required elements of training and to implement all of the items on the "Observing in the Montessori Secondary Classroom" sheet and the "Chart of Essential Montessori Secondary Practices" checklist before the end of their practicum. www.cmstep.com/downloads)
- Anticipate and request support from CMStep staff regarding staff development, collaborative conversations, establishing a school vision and mission, and parent education.
- Respect the instructors and mentors in the CMStep training program, and take their directives seriously by implementing the recommendations to the best of my ability.
- Be an open-minded, supportive, and collaborative teammate to my colleagues and teaching staff.
- Never disparage other training programs or methods of teaching.
- Attend workshops, seek guidance, read, study, and continually deepen my understanding of Cosmic Education so that my role as a Montessori administrator expands and matures over time.
- Consider completing the CMStep *Intro to Secondary Montessori* online course if unfamiliar with the best practices of secondary Montessori education, and additional CMStep courses in the coming years to expand and deepen my understanding.
- Create a support system for myself and manage my work with grace, ease, and joy.
