		_____18. Cide/cise	J. time

**About Your Quizzes:** Every two weeks, we will have a quiz over the words on this list. Each class will have a different quiz, and they will often be written in a different format to prevent plagiarism. Most quizzes will include words that use the roots (such as benefactor, and you'll be expected to find the root and guess at the meaning of the word based on the definition of the Latin or Greek root.)
